iLike the iPad
set up & 1st day procedure

Q1: Do you have "The Hub" on your device?
>	*If Yes, you're off to a great start to the new year.
>	*If No, go to the "Hub" in the Library (Mrs. Kroesche) to obtain it.

Q2: Do you have an "Apple ID" logged into your device?
>	*If Yes, it will probably be inewton1234@nbisd.org (first initial, last name, last 4 numbers of ss#).
>	*If No, go to the "Hub" in the Library (Mrs. Kroesche) to obtain one.

Q3: Do you have "iCloud Backup" turned on?
>	*If Yes, you have a bright future.
>	*If No, go to "Settings/iCloud/Storage & Backup/iCloud Backup/On"

Q4: Is "Find My iPad" turned on?
>	*If Yes, you will probably know where to find your iPad come rain, snow, sleet, hail, or theft.
>	*If no, go to "Settings/iCloud/Find My iPad/On"

Q5: Are you eSet up with eBackpack?
>	*If Yes, eExcellent!
>	*If No,

- Get eBackpack from the hub
- Open it
- Log in using your Student ID as both your username and password
- Select "My eBackpack"
- Select "Shared Class and Group Files"
- Select appropriate class period

Q6: Do you have the iTunes U app for all your other classes?
>	*If Yes, U are iNcredibly well prepared.
>	*If No, download iTunes U from the App Store, then

- Open iTunes U
- Click "Catalog"
- Scroll to the bottom of the page.
- Click "Enroll"
- Enter Enrollment Code

Q7: Do you have a desktop website shortcut to www.korpisworld.com?
>	*If Yes, you have probably been doing math this summer to get ready for this class.
>	*If No, open the Safari web browser.

- Go to www.korpisworld.com
- Click on the curvy arrow leaving the box to the left of the URL address.
- Click "Add to Home Screen"

Q8: Do you have Notability, and is it set to automatically backup to Google Drive?
  *If Yes, YOU are automatic!
  *If No,
- Go to Notability "Folders" section
- Click on the "Gear" symbol at the bottom
- Click on "Google Drive"
- Log into you school Google Drive account under "Manage Accounts"

Q9: Have you created a Notability Folder for this class?
  *If Yes, slow down there just a bit you eager young grasshopper.
  *If No,
- Go to Notability "Folders" section
- Click on the plus "+" tab
- Click "Create Divider" (Notability calls subjects "Dividers")
- Name it ("Precal Matters" or "Calculus Maximus") then press "Done"
- Click on the Divider you just created and click the plus "+" tab again
- Click "Create Subject" (Notability calls subcategories "subjects")
- Create two subjects, one called "Notes" and another one "Worksheets"
- To move a file, click and drag the document to the desired folder or subfolder.

Q10: Do you know how to download a document to edit in Notability?
  *If Yes, try not to look bored for the next few minutes.
  *If No,
- Go to www.korpisworld.com via your new desktop shortcut
- Click on "Mathematics" then either "Calculus Maximus" or "Precal Matters"
- Click on "Note to Students (and Parents)"
- On the top right corner of the downloaded .pdf file, click "Open in . . ." then select "Open in Notability"
- Click "Create new note"then "OK"
- Scroll to the bottom (using two fingers). Print and sign your name. Take this home and have your parents sign the same document in a different color than you did.
- Click the hobbled books in the top left corner to return to the library. NOTABILITY SAVES YOUR DOCUMENT IN THE LAST FOLDER OPENED.
- Click and drag the letter into the appropriate folder.

Q11: Do you know how to submit an assignment to eBackpack?
  *If Yes, you are either a sophomore, or you invented eBackpack.
  *If No,
- Open the Notability file to submit
- Click on the curvy arrow coming out of the box just to the right of the hobbled bookcase
- Select "Open in Another App" on the bottom
- Select "Open Note In . . ."
- Select "Open in eBackpack"
- Select "Assignment Turn-In"
- Choose you class
- Select the assignment, in this case "Parent Letter"
- Select "Upload"
- Enter optional (clean, complimentary, humorous) comments and/or select "Turn In"
- Acknowledge by clicking "OK" and patting yourself on the back
